

## **Family Homes - Boys Town Central Florida**

Boys Town provides temporary homes for at-risk boys and girls. They receive care and treatment from married couples called Family Teachers. Many of these children have suffered from abuse and neglect and have been removed from their own homes. While here, the children learn life skills that will help them to succeed in school and in their community. The goal is to reunite them with their families.

### **Service Location**

975 Oklahoma St
