

Home for Boys and Girls - Seamark Ranch

Seamark Ranch is a long-term care facility for at-risk children. It is for those aged 6 to 16 whose parental rights have been cut. Children are accepted based on need, regardless of finances. They attend classes at the on-campus school. Seamark Ranch provides counseling for each child. Children learn to care for animals and gardens on the campus farm, and also help with the farm's horses. The goal is to prepare them for future success in life. Please call or visit the [website](#) to learn more.
