

Healthy Families - Children's Home Society of Florida

This group offers a Healthy Families program. It is a free and voluntary program. They offer support and guidance. The in-home service will help parents navigate parenting. In order to participate there are eligibility requirements that must be met. Please call or visit the [website](#) for more information.

Services Will:

- Connect parents to community resources
- Empower parents to set and achieve goals
- Guide parents to help meet the developmental needs of their child
- Help learn healthy ways of dealing with stress
- Help manage medical appointments
- Help to understand their child's growth and development
- Offer encouragement
- Provide guidance to help make the home safe for infants and small children
- Teach positive parenting skills, activities, and age-appropriate discipline

The Children's Home Society of Florida has a location in the Fort Myers area of Florida's Suncoast. By working with children and families before crises occur, the ultimate goal of the group is to end the need for foster care as it is known. The group delivers the right services at the right time to help children and families. They work to help keep more kids safe at home with their families. Parents are empowered to raise their children in healthy, nurturing homes. Please call or visit the website for more information.
