

Birth to Three Program - Achievement Academy

This agency offers the Birth to Three program. It offers early intervention services. These services help make sure a child is on track developmentally. They are for children up to three years of age. The children might be at-risk for developmental delays for a variety of reasons. All services are free for families. Please call or visit the [website](#) for more information.

The Program Provides:

- Books and developmental appropriate toys
- Developmental evaluations through play
- Goals and activities to enhance the child's development
- Identifying and referring families to additional community services as needed
- One-on-one early intervention services by a professional in the child's home or natural environment throughout Polk County
- Parent support and guidance
