

Victim Services (VINE) - Department of Corrections

This program helps victims of crimes committed by Florida inmates. Through the VINE program, victims can sign up for an automatic notification service. Anyone may call the toll-free number to get an inmate's current location and release date. You may also register to learn when an inmate is released, transferred, escapes or dies. The VINE service is confidential. Please see the [website](#) for more information.

Local Number: 850.488.9166

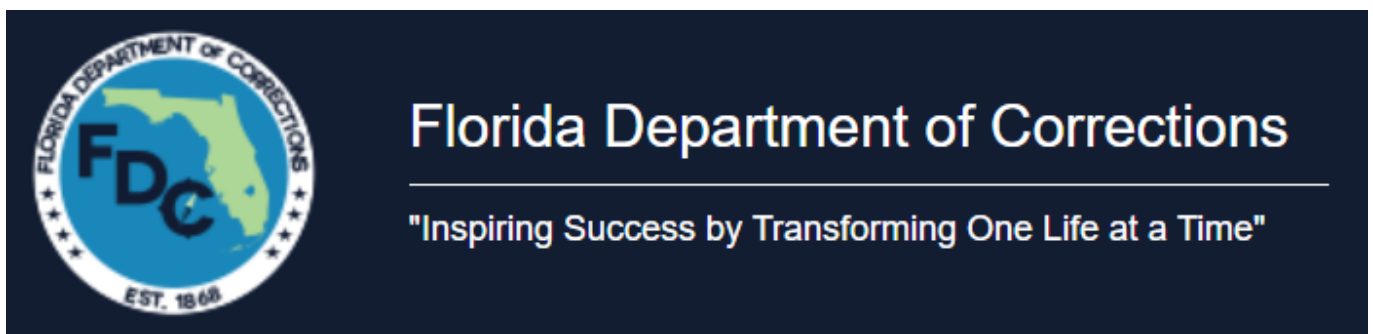

Toll Free: 877.8.VICTIM (877.884.2846)
