The ELC of Alachua County provides financial help for child care and school readiness. They work with a range of partners and advocates to get local services for children. They help kids from birth until kindergarten. Their help includes includes, but is not limited to:

- Providing Child Care Resource & Referral services
- Providing Inclusion Warm-Line services

- Determining child care financial assistance eligibility procedures
- Implementing child performance standards
- Providing child developmental health and/or academic development screening and assessment
- Determining use of developmentally appropriate curricula
- Ensuring health and safety requirements
- Coordinating with statewide data system requirements
- Participating in state initiatives to build and implement an optional quality rating and improvement system
