

Interfaith Emergency Services - Eyeglasses

There are currently two eye glass programs:

Prescription Glasses

A client that needs glasses must have an employment letter from their employer stating the need to have glasses to perform the job. Or, for Children in Marion County. When children need glasses for school, they must have a letter from their school of attendance stating the need. They must also have a parent letter, proper ID, and social security cards for both parent and child.

Reading Glasses

Reading glasses are given away at the office. They have a small reading chart to determine the strength needed for each client.

Call for more information.
