

Youth Development Program - Touching Miami with Love

This group helps kids from kindergarten to 12th grade. They work on improving their education and offer fun activities. The programs are in Overtown and West Homestead.

The children's programs include help with **schoolwork, support at school, spiritual guidance, fitness, STEM learning, field trips, creative arts, social skills, evening dinners, mentoring, advice for after high school, and summer internships.**

The program happens after school, Monday through Friday, during the school year. It also runs all day on most Teacher Planning Days, Spring Break, and in the summer.
