

Self-Help Homeownership - Habitat for Humanity of Seminole County & Greater Apopka

This agency makes owning a home a reality for families in need. Since 1991, Habitat Seminole has built almost 100 simple, decent and affordable homes. Their ReStore resale stores help provide funds for more houses. Please see the website for more details.

This agency is part of Habitat for Humanity International. It is a non-profit, Christian housing ministry based in Americus, Georgia. It seeks to get rid of poverty housing and homelessness and provide decent shelter to all. Since 1991, Habitat Seminole has worked to provide simple, decent, and affordable homes in Seminole County. They have a thrift store (ReStore) of household items and building supplies. Proceeds from the sale of items go back to Habitat to help build more houses. They also take donations of old cars and RVs.

Please see the website for more details.
