This agency serves the poor and homeless. The Outreach Center provides services such as food and shelter to those in need.

The staff will first listen to the concerns of those who walk through their doors. Then they will decide how best to connect families to the appropriate community resources.

They can give help with emergency food and clothing. They can help people with applying for Food Stamps, Medicaid and cash assistance. They can help with transitional housing. They offer spiritual help as well in the form of counseling, prayer time and worship services.
