

Early Childhood Development - Easterseals Southwest Florida

"Make the First 5 Count!" The Early Childhood Development programs from Easterseals help children gain a strong foundation. They offer Lily Preschool for kids up to 5 years old. They also offer therapy. Early intervention helps babies and toddlers work toward growth goals. They are at a time in their lives when they are most ready to learn. They can most benefit from therapy during this time. Their therapies and other services are offered to children up to 18 years old.
