

## **Shelter Programs - Coalition for the Homeless of Central Florida**

Each day, they provide safe shelter, nutritious meals, and hygiene items to nearly 500 men, women, and children. Case managers help guests address their needs, establish goals, and return to stable, permanent housing as quickly as possible. They help build an individualized housing plan, which may include applying for supportive housing programs, entering the Coalition's Rapid ReHousing or Bridge Housing programs, or working with local landlords to secure a room or apartment rental.
