

Baker County Health Department - Immunizations

This agency offer vaccinations (shots) to both children and adults.

Vaccinations are FREE TO ALL CHILDREN 6 weeks thru 18 years old.

For adults, most vaccines are available.

Flu shots are available for adults and children each fall and winter. Watch for clinic information in the newspaper and on radio and TV beginning in October.

TB Testing is available daily EXCEPT THURSDAY for all ages at a fee of \$21.00. The client returns to the clinic for results within 48 hours to 72 hours.

Please see the website for all services.
