This school district offers online learning for K-12 students. It is offered by MyDistrict Virtual School. This virtual education program offers a personalized, flexible learning environment that may be the right choice for students who prefer to learn at home. Students remain enrolled in the school district, but must meet certain requirements. Please check the website for new classes. Call for more information.

Virtual schools is good for students who:

- are parents
- have a job
- have medical issues
- prefer to learn at home
- travel
