

Grace House Shelter - Hope Villages of America

Hope Villages of America's Grace House offers apartment-style emergency shelter in a respectful setting. It is for homeless families with children and allows them to stay for up to two months. Residents have access to food, clothing, and household items. While staying there, adults must look for a job and attend weekly life skills classes. After finishing the program, families can get free furniture and household goods from the RCS Thrift Store. Please call 727.446.5964 to learn more information.
