

## **Ronald McDonald House Charities Northwest Florida**

Ronald McDonald House Northwest Florida serves as a home-away-from-home for families. They offer respite services. They also offer supplemental programs to assist the families. The group operates under the belief that nothing else should matter when a family is focused on healing their child. And that no family should have to deal with this alone. These families have traveled to Pensacola to receive critical medical treatment for their children. A house guest has to be referred. The referral must be from a medical facility, social worker, or designated nurse clinician. Guests must also have a child 21 years of age or younger receiving medical treatment. Please call or visit the [website](#) for more information.

### Services Provided:

- Private Bath & Shower Facilities
- Kitchen, Laundry, and Recreation Facilities
