St. Francis House was created in 1980. The objective was to provide needed necessities. To help both the impoverished and hungry in the community. St. Francis House is working to end homelessness and hunger in their community. The mission of the group is to empower families with children. Empower them to achieve permanent and stable self-sufficiency. They do this by providing case management. They also provide nutritious meals and educational, health, and career resources. All services provided are in a safe and secure environment. Please call or visit the website for more information.
