

Preschool - The Learning Pavilion

The Learning Pavilion offers a variety of services in their early childhood programs. The preschool focuses their services on children ages six weeks to six years. Infants, toddlers, and preschoolers. The school wants each child to realize their potential. And to gain the confidence, skills, and independence that will last them a lifetime. Please call or visit the website for more information.

Programs Include:

- Physical, Occupational, and Speech-language Therapy
- Developmental Programs
- Menus using USDA Guidelines for Young Children
- VPK Program

The Learning Pavilion is a nonprofit preschool. It provides an inclusive and nurturing learning environment. This encourages a child's development. As well as their self-esteem and personal independence. As a smart play preschool, the curriculum is play based. They believe that young

children learn best through play. The focus of their programming is the development of the whole child within a family. Both subsidized care and scholarship assistance is available. Please call or visit the website for more information.
